Our League has become an important recreational activity for girls aged 4.5 to 16 years, living in our community. We teach the fundamentals of softball as well as the importance of sportsmanship, teamwork, discipline, and integrity that will not only support them throughout their softball careers, but also throughout their lives. Each year we have the pleasure of watching our players represent our city by playing in major tournaments around the Sacramento Valley and as far away as San Diego for All Stars Nationals! LGSA participants are the future players of both Lincoln High and 12 Bridges High School and potentially colleges around the nation! Sponsoring them now will ensure a strong foundation for their success in the future.

Sponsorships contribute to the purchase of uniforms, safety equipment, umpires, player's insurance, field maintenance, trophies, tournament fees and much more. As a Sponsor, you are also invited to attend our closing ceremonies where Triple Level Sponsors and above get to march with their sponsored team out onto the field. We will send you your team's schedule so you can support them during any game and see, firsthand, the positive impact your sponsorship is having on these athletes. Please see the Tax Deductible Sponsorship Levels and additional benefits on the following page.

We look forward to partnering with you in making Lincoln Girls Softball Association a continued success. If you have any questions, Please email the League Sponsorship Coordinator at lgsasponsor@gmail.com Our Website has more information about sponsorships as well as an option to pay your sponsorship online at www.lincolngirlssoftball.org

Sincerely,

Jen Lillibridge
